## Bungalows

### BEACH SUITE

The hotel features **10 Beach Suites** located at the edge of the beach and all with air-conditioning. Each suite is designed with privacy in mind by including an enclosed garden area with a private **full size out-door Jacuzzi and a wooden terrace** and sundeck. The bathroom is naturally and elegantly integrated in the enclosed garden area (half indoor and half outdoor). The large bedroom offers a **king size bed** and desk area and opens onto a third area of the bungalow, the living room, which has **direct access onto the beach**. The living room is cleverly designed to provide a quiet, **sheltered space in the afternoon and a romantic setting in the evening** and always offers the dazzling view of the water and the mountain. In this room, the sofa can also be used as a bed to comfortably accommodate a third person.
